

HCA TEACHER APPRECIATION

Our HCA teachers are a gift from God. They are committed to teaching from a Biblical perspective, recognizing that education encompasses what we learn physically, mentally, and spiritually. We are blessed to have them caring for our children.

The HCA Teacher Appreciation Committee exists to demonstrate our gratitude to our faculty and staff for all they do. We provide special breakfasts and lunches to let our teachers know we appreciate them!

We use your donations to fund these meals throughout the year. A suggested amount is \$20 per family—whether you have children in elementary, high school, or both. Please return the form below with your check payable to HCA. Please indicate on the check that your donation is for “TAC.” If you are interested in volunteering, please contact us!

We greatly appreciate your help and we look forward to hearing from you!

Volunteers to head the Teacher Appreciation Committee are still needed for this school year.

Please complete the information below, detach, and return to your teacher.

Enclosed is my \$ _____ donation for the HCA Teacher’s Appreciation Committee.
